## **EN | 2019 Application Form Capacity Entrepreneurship-Programme**

In 2019, Capacity is offering two main entrepreneurship programmes. Do you have an idea, a project or a business that you want to develop, test and potentially launch?

We look forward to receiving your application for the Capacity Launch before Sunday, the 24th of February at 11:55 pm.

Capacity Launch (3 months) March-June | All you need is to have one idea that you are committed to developing! Capacity Launch is a start-up ideation programme to move from having an idea to launching it. The programme ends with a public Pop-Up Fair as a graduation celebration.

Strong focus on personal and skill-based development. The programme curriculum includes:

- Ideation, effectuation and Lean Startup
- Networking
- Key Swiss business skills
- Prototyping and testing
- Storytelling and personal branding

Capacity Boost (3 months) September-November | Start-up incubator programme to move from market entry to sustainable business (for existing start-ups/projects). We will finalize the programme with a public Pitch Party closing ceremony, which is attended by more than 150 people each year.

Strong focus on business development. The programme curriculum includes:

- Business Models & Design Thinking
- Advanced business law and finances
- Pitching
- Advanced funding, budgeting, profit and negotiation
- Scaling
- Marketing: Branding, communication, and networking
- \* Please note that the application deadline for the Capacity boost programme will be announced in July 2019
